BOARD MEMBERS

Pawan Khaitan
Chairman

Pawan Khaitan is the chairman of SPD group. Under his leadership, the group has emerged as a leading service provider of turnkey construction solutions and occupies an important position in the industry. More than four decades of leadership experience in international trading yields him the capabilities to drive the corporate to greater heights.

Mr. Khaitan chairs the SPD group's Board of Directors and mentors various business leaders. Residing in Singapore for the last 30+ years with offices in India, Singapore, Dubai, Vietnam and Africa, he is a knowledge repository in international trade and finance. A visionary with solid experience and strong business acumen, Mr. Khaitan is the driving force behind all strategic decisions of SPD who mentors an empowered leadership team to confront new challenges with smart and effective solutions.

Saurav Khaitan
Managing Director

Saurav has been the key architect of the group's focus to be a more brand driven organization with an aim to have growth of each stakeholder who is associated in any respect. He heads the key department of Accounting & Finance and chairs the marketing initiatives of the group. Under his leadership SPD has rapidly expanded its market presence across various locations. He has previously worked for Langham Capital, a boutique investment bank, where he was involved in managing several M&A and fundraising transactions. Prior to joining Langham Capital, he worked for Deloitte, where he was involved in the corporate finance division providing advisory services for corporate development and capital raising initiatives.

Saurav has completed a Bachelor's degree from King's College London and a Master's degree in Finance from the London School of Economics. Saurav is the Founder Director of the Company and is heading the Finance, Legal, HR & Administration departments of the Company.

Chirag Khaitan
Executive Director

Chirag has played an instrumental role in shaping and transforming the group's strategy. He heads the Operations department and chairs the business developmental initiatives of SPD.

Under his leadership as a Founding Director since 2010, SPD has developed a strong, engaged and ambitious team that is actively involved in the expansion of the group. He oversees day to day management of the organization, including business development and strategic planning, encompassing all projects.

Chirag has done his graduation from London School of Economics after which he gained valuable work experience with HSBC to develop his team working and leadership qualities.

Ambuj Chaturvedi

Director

Ambuj's primary focus is to ensure that both progress and quality parameters are met thereby ensuring client satisfaction. He brings with him solid experience of nearly three decades of working in different renowned construction and engineering companies in India and abroad. His previous roles in construction firms such as BL Kashyap and Sons Ltd, Nagarjuna Construction and Maytas Infra Ltd have equipped him with the necessary skills and technical expertise to oversee the overall operations of the projects.

Ambuj is a Civil Engineering graduate from IEST, Shibpur (Formerly Bengal Engineering and Science University, Shibpur).

Sanjay Jalan

Director

Sanjay has been with SPD Group since 2010 and is primarily responsible for ensuring that all clients and contractors are satisfied with the output and performance of the Company.

A graduate in commerce since 1997 and having rich commercial experience of more than 12 years from running and expanding his own family electrical business, Sanjay brings unique skill set and capability to ensure that the construction sites of the Company are running at optimal efficiency.

Sanyam Khaitan

Director

Sanyam is heading the procurement activities of the group. He undertakes the responsibility of developing, leading and executing purchasing strategies. Sanyam is involved in tracking and reporting key functional metrics to reduce expenses, ensure timely delivery and improve effectiveness, crafting negotiation strategies and closing deals with optimal terms while ensuring that quality is not compromised under any circumstances.

Sanyam has done his graduation from Singapore Institute of Management. He has previously worked for HSBC prior to joining SPD in 2015. He has gained valuable hands-on experience in the past few years which has helped him to develop systems that ensure competitive prices, proven quality, fastest turnaround time and minimal inventory costs eventually resulting in lower costs and better quality for our clients.

FROM CHAIRMAN'S DESK

Pawan Khaitan
Chairman

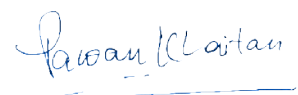

It is my great pleasure to introduce SPD Constructions Limited as one of the leading building contractors with a remarkable execution of approx. 30 Million sqft of building construction area. It has attained a strong reputation in the field of building contracting because of excellent commitment, sustained growth and stability, professional management as well as high quality work which is completed on time and within budget.

We take pride in being one of the most sought after engineering and contracting firms in East India having achieved a remarkable cumulative average growth rate of almost 70% since inception in 2010 and contributing significantly to the development of the area. The Company has attained prominence as a leader in the field of construction and engineering through competence, competitiveness and timely delivery with highest quality standards and recognized safety performance. We have a long tradition of serving our valued customers to their complete satisfaction through efficient management and excellent workmanship, which

we continue to maintain with our untiring efforts.

In an era of advanced technologies and new techniques, we continuously strive for innovation and enhanced efficiency. We constantly make genuine efforts to upgrade our performance in order to match the demand of the construction industry. We aim to thrive in an environment where collaboration, individual accountability and technical innovation are valued. Everyday, we effectively deal with demanding new scenarios and challenges which lead us to improve our former selves and stay ahead of the competition.

As we visualise the future, we renew our pledge to remain committed to excellence, keep abreast of changes and innovations, adopt better management and construction techniques and successfully overcome all challenges before us. Although we are proud of our past, we continue to work hard to make tomorrow even better.

WHY SPD ?

Proven track record of 100+ projects with 30 Million sq.ft. of building construction

Peace of mind
- Single point of accountability offering turnkey solutions

Savings through quicker project handover/
timely delivery

Quality construction/output - strict monitoring through dedicated team

Cost savings through value engineering, innovative approach and expertise

Solid financials with negligible debt - minimal risk of delivery due to funds

Experienced & dedicated team - proven manpower with more than 10 years of experience

Specific **focus on QHSE** (Quality, Health, Safety & Environment) through dedicated team

100% owned plant & machinery and formwork / shuttering material

Long-term relationship with a target of 100% client satisfaction

Vast network of quality labour contractors

Technically sound
- delivered several challenging engineering projects

SPD has been providing its clients with reliable and responsive solutions to their construction challenges since 2010. And today SPD is proud to be recognized as an industry leader in Odisha.

Our expertise encompasses the full gamut of construction services from designing and piling to complete finishing, services and handover catering to residential, office spaces, shopping malls, hotels, academic buildings, warehouses, factories, sports complexes etc. We strive to complete your project on schedule, on budget and with a responsive, client-centred approach.

KEY TEAM MEMBERS

Pakki Kandal Rao as Vice President brings 35 years of solid experience in Strategic Management, Team Leadership, Resource Management and Operations Management in the Construction Industry. Armed with rich experience of working with reputed organisations such as Nicco, Mfar, BDA, MES, Hero, Unimark, GAIL, Indian Oil, etc, Mr. Rao has completed several iconic projects like the Trump Tower and Ecospace Air Tower in Kolkata, the Gail Tower in Noida and 13 amusement and water parks in India and abroad. Mr. Rao is a Civil Engineering Graduate with MBA who has completed numerous certifications such as ISO, GRIHA, EPGSBL, Business Excellence Assessor etc. from reputed institutions like, IIM Kolkata, XIM Bhubaneswar, Griha Council, CII etc. He has also received many prizes in India and abroad such as Gold Medal in QIT international competition held at Hyderabad. With his vast experience and versatile knowledge, Mr. Rao is motivating the team to achieve the Company's vision of Business Excellence.

Pakki Kandal Rao

Debasish Dey as DGM (Projects) is a Civil Engineer with more than three decades of experience in construction in a variety of projects like malls, hotels, commercial and residential spaces. He has expertise in executing turnkey projects from start to handover in all aspects. He has been an integral part of the team and has successfully handed over various prestigious projects like JSPL (Angul), Data Centre of TPCODL (Tata Power), Akshaya Patra Foundation Kitchen (Puri), Kalinga Stadium (Bhubaneswar), Wild Lotus Garment Factory (Bhubaneswar), Dalmia Bharat Gopichand Badminton Academy (Bhubaneswar) etc.

Debasish Dey

Rabindra Bajoria heads the Supply-Chain for civil materials of all the projects in the Company. He is a commerce graduate having an immense experience of 35 years in supply-chain and logistics. His remarkable qualities of dependability, 24/7 availability, in-depth market research and networking enables him to undertake all the planning, organizing, directing, and controlling activities related to the procurement function of all civil construction related materials

Rabindra Bajoria

Ranjan Sahoo heads the Plant & Machinery division of the Company. With experience of more than 20 years in notable companies like Thermax, Jaypee, Universal & Cosmos, Ranjan is responsible for ensuring that all projects are given proper support and guidance in the form of all kinds of plant & machineries (ie - tower cranes, batching plants, passenger hoists, concrete pumps, backhoe loaders, etc), tools & tackles and trained operators who shall undertake the running, maintenance, overhauling, refurbishment and repairing of the same. Ranjan is also having an expertise in manufacturing & repairing of all kinds of steel shuttering materials. Ranjan is successfully handling the P&M requirements of 45+ sites and is managing 70+ operators who are working under his guidance.

TESTIMONIAL

On behalf of **M/s Vivek Realty & Resorts Pvt. Ltd.**, I would like to personally thank you and your team for the completion of the structural work of the project in West Medinipur at Saha Chowk, NH-6, Mumbai Road, Malancha, Kharagpur, Paschim Medinipur, West Bengal- 721304.

As you are aware the project had many challenges not least the particularly challenging timescale in which the work was carried out. On behalf of my whole team I express their gratitude, especially in regard to your close co-operation on site which made it all the more achievable. Mr. Prabhakar Sahu, our Project Manager also wanted to pass on his special appreciation for the hard work, dedication and team spirit your man entered into on site.

We know from our own experience that it must have required a considerable amount of planning and organization, plus full co-operation from your employees to ensure the successful outcome. I will have no hesitation in employing **M/s SPD Constructions Ltd** on future projects and therefore look forward to working with you again; it was a pleasure working with you and your team demonstrating a positive "can and will do approach" throughout.

In conclusion, please forward my thanks to your team for their contribution to making this project the success it is.

For, **Vivek Realty & Resorts Pvt. Ltd.**
